Principal's Message

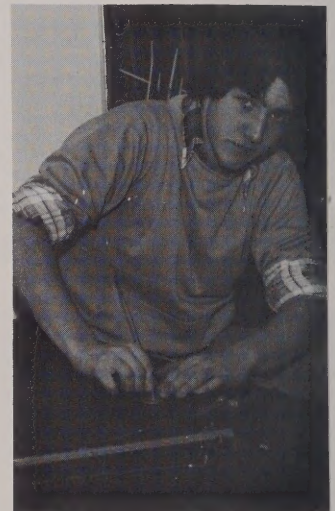

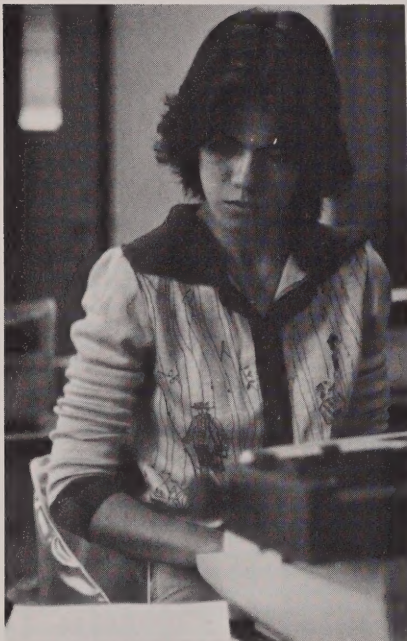

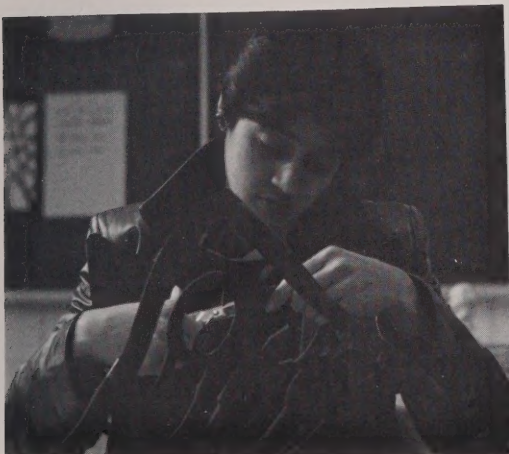

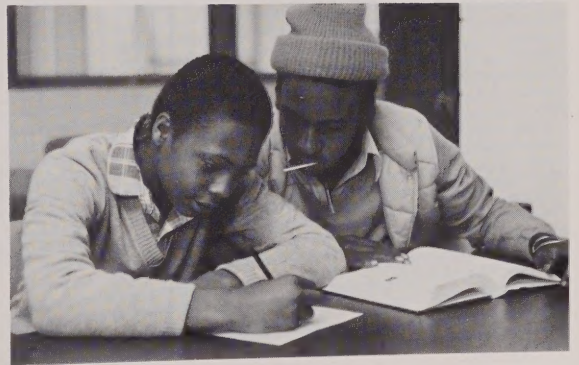

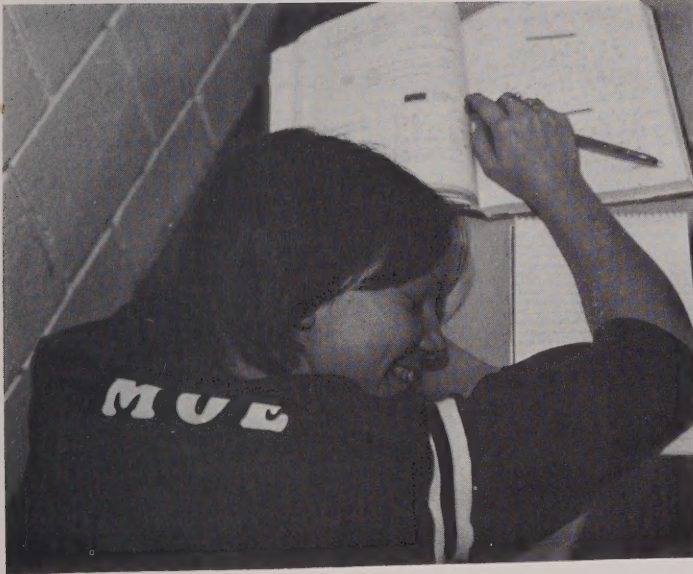

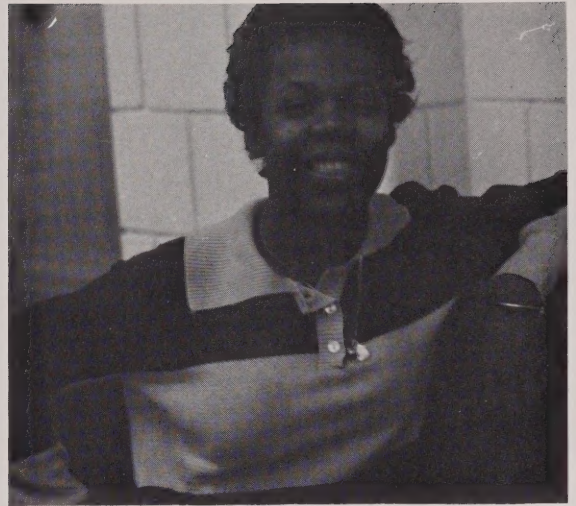

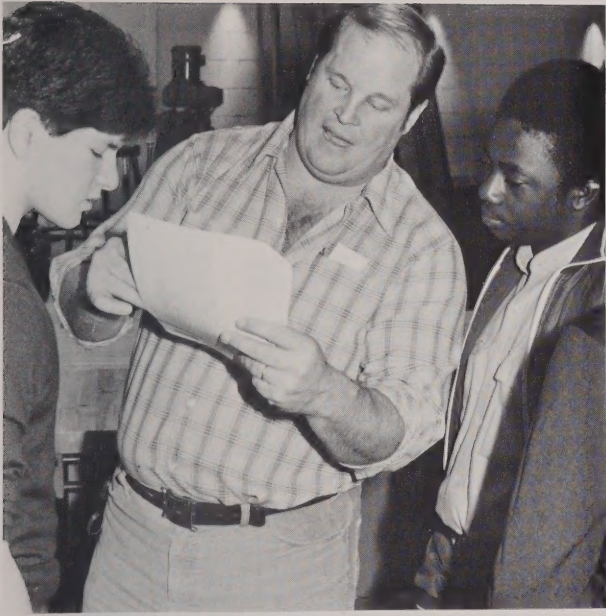

I welcome the opportunity to say a few words to the graduating class of 1980. I extend to you my heartiest congratulations for your devoted service to our school and express the hope that you will continue to strive to succeed in the future so that each may find a purposeful meaning in life.

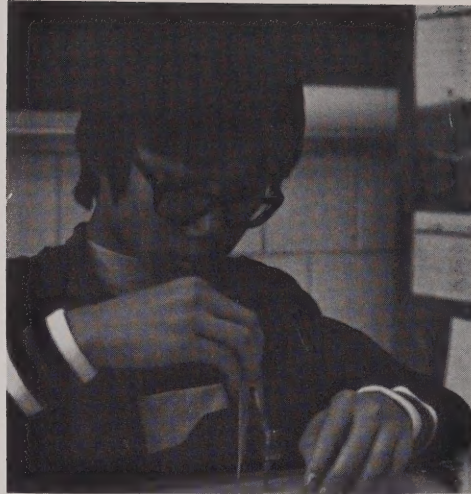

Many fine traditions of the past and a renewed spirit have returned to the school and that is to your credit. To quote the words of Benjamin Franklin, "The good education of youth has been esteemed by wise men in all ages as the surest foundation of the happiness both of private families and of Common Wealths."

"God bless you in every effort and make your endeavors worth while."

CLOSE-UP

W.K.Leung, Mr. Welch, M. Calendar, K.M.Cheung, I. Dillard.

Close-up is a very unusual educational experience. For a full week during the school year, students and teachers put aside their text books and travel to Washington for a first hand assessment of their government. Politicians, Administrators, Lobbyists, and other news makers describe what they do, and where they stand on critical issues. Students learn how they can be involved in government and are encouraged to follow up with direct participation when they return to their communities.
